| Plenary session | Hands On | Industry Symposium | Optional Event |
|-----------------|----------|--------------------|----------------|

ATTOI 2017 Scientific Program

| Monday, May 22, 2017 | | | | |
|----------------------|---|---------------|-----------------|-----------------|
| | <i>Hall A</i> | <i>Hall B</i> | <i>Hands on</i> | <i>Hands on</i> |
| 18:15-18:30 | <p>OPENING CEREMONY & WELCOMING WORDS <i>Chair: Dr A. Amiach</i></p> <p>Dr B. Darmon (France), Dr A. Perez (The Netherlands)</p> | | | |
| 18:30-20:00 | <p>BIOLOGICAL & PHYSICAL COMMUNICATION <i>Chair: Dr A. Amiach</i></p> <p>Prof D. Rittel The bone-implant as an engineering system Prof I. Binderman Biological communication in the periodontium</p> | | | |
| 20:00 | Welcome Reception | | | |

| | | | |
|-----------------|----------|--------------------|----------------|
| Plenary session | Hands On | Industry Symposium | Optional Event |
|-----------------|----------|--------------------|----------------|

| Tuesday May 23,2017 | | | | |
|---------------------|---|--|----------|----------|
| | Hall A | Hall B | Hands on | Hands on |
| 08:30-10:45 | <p>TECHNIQUES IN MANAGEMENT OF ATROPHIED MAXILLA AND MANDIBLE <i>Chair: Dr A. Lorean</i> - Optimization of rehabilitation of extremely resorbed maxilla by means of platelet concentrates, bone grafts or zygomatic fixtures Prof L. Evrard ~ Addressing the Buccal Bone Loss (BBL) dilemma in modern implantology Dr Y. Zubery ~ Guided pre-prosthetic surgery for the management of atrophies and bone defects in implantology Dr M. Samama ~ Guided implant surgery - simplifying complex cases Dr S. Kars ~ BASAL dental implantology a life-changing treatment Dr L. Sapoznikov ~ Ask the experts</p> | | | |
| 10:45-11:15 | <p><i>Coffee break, Visit Exhibition, Poster session Product Theatre session sponsored by ME Dental Solutions /CoreBone</i></p> | | | |
| 11:15-12:45 | <p><i>Satellite Industry Symposium Digital implantology: the advanced way to plan and realize complex implant rehabilitations Sponsored by Dental Chakir</i></p> | <p><i>Satellite Industry Symposium Practical use of autologous grafting in day to day dentistry Sponsored by Kometabio Inc.</i></p> | | |
| 12:45-13:45 | <p><i>Lunch, Visit Exhibition Poster session Product Theatre session sponsored by</i></p> | | | |

| | | | |
|-----------------|----------|--------------------|----------------|
| Plenary session | Hands On | Industry Symposium | Optional Event |
|-----------------|----------|--------------------|----------------|

| | <i>Dental Chakir</i> | | | |
|--------------------|---|--|--|--|
| 13:45-14:25 | <p>TECHNIQUES IN MANAGEMENT OF ATROPHIED MAXILLA AND MANDIBLE <i>Chair: Dr A. Lorean</i></p> <p>Management of extreme atrophied mandible Dr A. Lorean ~ Sub periosteal implants – the past is here Dr. G. Hallel</p> <p>Subperiosteal implants for the reconstruction of the atrophic mandible Dr. O. Blanc</p> | | <p>Hands on</p> <p>Introduction to CAD/CAM systems in the modern dental clinic Trainer Habib Ben Sina</p> <p><i>Supported by Dental Chakir</i></p> | |
| 14:25-15:45 | <p>COMPLICATIONS IN IMPLANTOLOGY AND IMPLANT RELATED <i>Chairs: Prof D. Rittel and Dr G. Caliperoumal</i></p> <p>Mechanical reliability of dental implants Dr K. Shemtov-Yona ~ Peri implantitis, are moderately rough surfaces a risk factor? Dr P. Khayat ~ Ask the experts</p> | | | |
| 15:45-16:15 | <p>Coffee Break, Visit Exhibition <i>Poster session</i> <i>Product Theatre session sponsored by Adin Dental Implants</i></p> | | | |
| 16:15-18:00 | <p>SOCKET AND ALVEOLAR RIDGE PRESERVATION <i>Chair: Prof R.Horowitz</i></p> <p>Bone regeneration regarding synthetic materials Dr M. Leventis ~ New graft material development and our associated surgical protocol which is a Paradigm shift in GBR Prof P. Fairbairn ~</p> | | <p>Hands On</p> <p>Use of mini screws in orthodontists Dr P. Tuil</p> | |

| | | | |
|-----------------|----------|--------------------|----------------|
| Plenary session | Hands On | Industry Symposium | Optional Event |
|-----------------|----------|--------------------|----------------|

| | | | | |
|--|---|--|--|--|
| | <p>The use of autologous sources in regenerative dentistry: Advanced Platelet Rich Fibrin (A-PRF) and the Smart Dentin Grinder from a clinical perspective Dr M. Waldmeyer ~</p> <p>The secrets and basics of MIMI-Flapless I-V (Minimally Invasive Implantology): immediate implantations, horizontal distractions without flaps, best 3D-navigation! A 20-year study report with amazing videos! Dr A. Nedjat ~</p> <p>A cement for bone grafting revolution and simplicity Dr Baranes ~</p> <p>Ask the experts</p> | | | |
|--|---|--|--|--|

| | | | |
|-----------------|----------|--------------------|----------------|
| Plenary session | Hands On | Industry Symposium | Optional Event |
|-----------------|----------|--------------------|----------------|

| Wednesday May 24, 2017 | | | | |
|------------------------|--|---|---|---|
| | Hall A | Hall B (up to 200) | Hands on | Hands on |
| 08:30-10:45 | <p>BIOLOGY OF GRAFTING <i>Chair: Prof Z. Artzi and Dr M. Waldmeyer</i></p> <p>The biology of wound healing during grafting procedure Prof I. Binderman ~</p> <p>HYALURONIC ACID AND ADIPOSE MESENCHYMAL STEM CELLS AS AN APPLICABLE GRAFT COMPOUND FOR CELL-CULTURE BASED BONE TISSUE ENGINNERING Prof E. Teixeira ~</p> <p>Concentrated Growth Factors (CGF) in the modern implantology, "from the bench to dental chairside" Prof S. Srouji ~</p> <p>Clinical and Histologic Evaluation of Socket Grafting Materials Prof R. Horowitz</p> <p>Distraction osteogenesis Prof Adi Rachmiel ~</p> <p>Discussion</p> | | <p>Hands On</p> <p>Muco- gingival surgery Dr X. Bensaid</p> | <p>Hands on</p> <p>Optimizing the implantation site using Osseodensification Prof Ziv Mazor</p> <p><i>Supported by ADIN</i></p> |
| 10:45-11:15 | <p>Coffee Break, Visit Exhibition <i>Poster session</i> <i>Product Theatre session sponsored by</i> TAV Dental</p> | | | |
| 11:15-12:45 | <p><i>Satellite Industry Symposium</i> Dental Innovation & techniques <i>Sponsored by Me dental solutions</i></p> | <p><i>Satellite Industry Symposium</i> Bonering technique <i>Sponsored by Botiss</i></p> | | |
| 12:45-13:45 | <p>Lunch, Visit Exhibition <i>Poster session</i> <i>Product Theatre session</i></p> | | | |

| | | | |
|-----------------|----------|--------------------|----------------|
| Plenary session | Hands On | Industry Symposium | Optional Event |
|-----------------|----------|--------------------|----------------|

| | | | | |
|-------------|---|--|---|--|
| 13:45-16:15 | <p align="center">MINIMALLY INVASIVE & AESTHETIC IMPLANTOLOGY <i>Chair: Dr A. Roisentul</i></p> <p>Innovative minimal invasive approach for ridge expansion and sinus lift Prof. Z. Mazor</p> <p>Minimal Invasive sinus augmentation and treatment Prof Nahlieli ~</p> <p>How to deal with high demanding aesthetics cases with dental implants Dr A. Roisentul ~</p> <p>Reconstructive modalities of partially edentulous patients Dr M. Leretter ~</p> <p align="center">Clinical Case discussion</p> | | <p align="center">Hands On</p> <p align="center">Bonering Dr Bernd Giesenhagen</p> <p align="center"><i>Supported by Botiss</i></p> | <p align="center">Hands On</p> <p align="center">Zirconia Implant System Dr. Ralf. Luettmann</p> <p align="center"><i>Supported by ZSystem / ME Dental Solutions</i></p> |
| 16:15-16:45 | <p align="center">Coffee Break, Visit Exhibition <i>Poster session</i> <i>Product Theatre session</i></p> | | | |
| 16:45-18:30 | <p align="center">COMPLICATIONS IN IMPLANTOLOGY - Medical related <i>Chair: Dr Findler</i></p> <p>Complications in dental implants and bone augmentation Prof I. Abu El Naaj ~</p> <p>Modern dentistry, don't discriminate the medically complex patient, just do it right Dr M. Findler ~</p> <p align="center">Ask the experts</p> | | | |
| 18:30 | <p align="center">Abstract award ceremony and Closing Prof I. Binderman, Dr B. Darmon, Dr A. Perez</p> | | | |
